DR. TOWNSEND'S SARSAPARILLA.

WONDER AND BLESSING OF THE AGE. The most extraordinary Medicine in the World!! This Extract is put up in Quart Bottles: it is six times cheaper, pleasanter, and warranted superior to any sold It cures without vomiting, purging, sickening or debilitating the Patient.

THE great beauty and superiority of this Sarsaparilla over all other medicines is, that while it eradicates the disease, it invigorates the body. It is one of the very best SPRING AND SUMMER MEDICINES ever known; it not only purifies the whole system, and strengthens the person, but it creates a new pure and rich bloods a power pos-

sessed by no other medicine. And in this lies the grand secret of its wonderful success. It has performed within the last five years, more than 100,000 cures of severe cases of disease; at least 15,000 were considered incurable. It has saved the lives of more than 5,000 children during the two past seasons. 10,000 CASES OF GENERAL DEBILITY AND WANT OF NERVOUS ENERGY. Dr. Townsend's Sarsaparilla invigorates the whole system perma

nently. To those who have lost their muscular energy by the effects of medicine or indiscretion committed in youth, or the excessive indulgence of the passions, and brought on a general physical prostration of the nervous system, assitude, want of ambition, fainting sensations, premature decay and decline, hastenining towards that fatal disease, Consumption, can be entirely restored by this pleasant reme-dy. This Sarsaparilla is far superior to any INVIGORATING CORDIAL. As it renews and invigorates the system, gives activity to the limbs, and strength to the muscular system, in a most extraordinary degree

CONSUMPLION CURED. Cleanse and Strengthen. Consumption can be cured. Bronchitis, Consumption, Liver Complaint, Colds, Catarrh, Coughs, Asthma, Spitting of Blood, Soreness in the Chest. Hectic Flush, Night Sweats, Difficult or Profuse Expectoration, P.in in the Side, &c., have been and can be SPITTING BLOOD.

New York, April 28, 1847.

F Dr. Townsend-I verily believe that your Sarsaparilla has been the means, through Providence, of saving my life. I have for several years had a bad Cough. It became worse and worse. At last I raised large quantities of blood, had night Sweats, and was greatly debilitated and reduced and did not expect to live. I have only used your Sarsaparilla a short time, and there has a wonderful change been wrought in me. I am now able to walk all over the city. I raise no blood, and my cough has left me. You can well imagine that I am thankful for these results. Your obedient servant, WM- RUSSELL, 65 Catharine-st.

RHEUMATISM: This is only one of more than four thousand cases of Rheumatism that Dr. Townsend's Sarsaparilla has cured. The most severe and chronic cases are weekly eradicated by its extraordinary virtues. James Cummings, Esq., one of the assistants in the Lanatic Asylum, Blackwell's Island, is the gentleman spoken of in the following Blackwell's Island, Sept. 14, 1847.

DR. Townsend-Dear Sir: I have suffered terribly for nine years terribly swollen. I have used four bottles of your Sarsaparilla, and | same general rule. they have done me more than one thousand dollars worth of good. I am so much better-indeed, I am entirely relieved. You are at lib erty to use this for the benefit of the afflicted. Yours, respectfully. JAMES CUMMINGS.

FEVER AND AGUE. Dr. Townsend's Sarsaparilla is unequalled in cases of the Chills and Fever and Ague. The following letter is only one of hundreds that we have received from the South and West of like character. Oswego, Mich., Oct 22, 1847.

Dr. Townsend: Dear Sir :- I purchased for my wife two bottles of Sarsaparilla of your Agent, Mr. McNair, of Kalamazoo, to try it for the Fever and Agee. Before I had finished the first bottle, it appeared to warm the blood, and every other day, when the Chills and Fever appeared, they were less violent, and before she had finished the bottle she was entirely relieved, and she was much better than she had been before she took the Ague. A lady that had been very sick with the Chills and Fever, but had broke them with Quinine, and was left in a very weak and distressing state, and troubled exceedingly with the Ague Cake, seeing the effect that it had on my wife, she sent and procured a few bottles, and it restored her in a few weeks to complete heaith. Your sarsaparilla is without doubt unequalled in diseases incident to the West, and if you think that this communication will be of use, you are at liberty to use it as you Yours, respectfully.

TO MOTHERS AND MARRIED LADIES. This Extract of Sarsaparilla has been expressly prepared in refer ence to female complaints. No female who has reason to suppose she is approaching that critical period, "The turn of life," should neglect to take it, as it is a certain preventive for any of the numerous and horrible diseases to which females are subject at this time of life. This period may be delayed for several years by using this medicine. Nor is it less valuable for those who are approaching womanbood, as it is calculated to assist nature, by quickening the blood and invigorating the system. Indeed, this medicine is invaluable for all the delicate diseases to which women are subject. It braces the whole system, renews permanently the natural ener-

taken for female weakness and disease. By using a few bottles of Liver, Asthma, Bronchitis, pains or weaknes of the breast or this medicine, many severe and painful surgical operations may be pre lungs, and other affections of the pulmonary organs.

GREAT BLESSING TO MOTHERS AND

CHILDREN. It is the safest and most effectual medicine for purifying the system and relieving the sufferings after dant upon child birth ever discovered. It strengthens both the mother and child, prevents pain and disease, increases and enriches the food, those who have used it think it is indispensable. It is highly useful both before and after confinement, as it prevents diseases attendant open childbirth-in costiveness, piles, cramps, swelling of the feet, despondency, heartburn, vemiting, pain in the back and loins, false pains, hemorrhage, and in regulating the secretions and equalizing the circulation, it has no equal. The great heanty of this medicine is, it is always safe, and the most delicate use it most successfully, very few cases require any other medicine, in some a little Castor Oil, or Magnesia, is useful. Exercise in the open air, and light tood with this medicine, will always ensure a safe and easy confinement NOTICE TO THE LADIES.

Those that imitate Dr. Townsend's Sarsaparilla have invariably called their stuff a great remedy for Females, &c. &c., and have copied our bills and circulars which relates to the complaints of womenword for word-other men who put up medicine, have, since the great success of Dr. Townsend's Sarsaparilla in complaints incident. females, recommended theirs, although previously they did not.
